

## Visit Arrangements during Inclement Weather Conditions

- If tropical cyclone warning signal No.8 or above or black rainstorm warning is issued before the commencement of **visiting hours**<sup>[1]</sup>, there will be no **visit arrangements**<sup>[2]</sup>.
- If tropical cyclone warning signal No.8 or above or black rainstorm warning is issued during visiting hours, there will be no visit arrangements, while visit in progress will continue.
- If tropical cyclone warning signal No.8 or above or black rainstorm warning is lowered before the end of visiting hours, and if situation allows<sup>[3]</sup>, visit arrangements will resume within two hours<sup>[4]</sup>.

Remarks: [1] **Visiting hours** refer to the respective office hours of different correctional institutions during which visit arrangements are provided for visitors.

[2] **Visit arrangements** include registration and other procedures.

[3] Factors to be considered include the availability of transport services for reaching remote institutions situated on Hei Ling Chau and Lantau Island.

[4] Visitors should note the established requirements of completing the registration procedure within the prescribed time before the end of visiting hours.
