

Indicative Price Schedule

Group II - Item 57 updated (26.3.2026)

IMPORTANT : *Suppliers are requested to propose a unit price for each of the items in Group I and/or Group II in this Schedule. The proposed prices are meant to be indicative prices for reference purposes only and will not be binding on the Suppliers. However, Suppliers are encouraged to provide the indicative prices as realistic as possible taking into consideration of the Contract Period, i.e. thirty-six (36) months commencing in September 2026 and relevant price adjustment formulae as stipulated in Clause 4 of the Special Conditions of Contract of the tentative tender document.*

Estimated Contract Price for Group I (Items 1 to 36, 73 to 74 and 77):					\$ _____			

Notes: (i) Tenderers are reminded to read, inter alia, the Terms of Tender, Specifications, Special Conditions of Contract and Attachment A (List of

Delivery Locations) to the Special Conditions of Contract before completing this Schedule.

- (ii)[#] A Tenderer's price proposal must be denominated in Hong Kong dollars or US dollars. Unit Prices tendered in other currencies will render the tender invalid. If a Tenderer does not specify the currency in its offer, it shall be deemed that the currency of its offer is Hong Kong dollars.
- (iii) In relation to the Group(s) of items a Tenderer submits a bid, the Tenderer must propose in the table above the **Unit Prices** for all the items under the respective Group(s).
- (iv) Please refer to Clause 4 of the General Conditions of Contract.
- (v) Please propose a unit price (up to 3 decimal places) for each of the items within a group, ie. Items 1 to 36, 73 to 74 and 77(Group I) **and/or** Items 37 to 72, 75 to 76 (Group II).
- (vi) Please refer to Specifications for the detailed requirements.
- (vii) Other than those numerical requirements with a maximum or minimum requirement or with a specified range in the Specifications, a twenty percent increase or decrease ($\pm 20\%$) in the numerical requirements is acceptable.
- (viii) If the brand and/or packing size of the Goods offered are missing or different from the tender samples, the information provided on the tender samples will be used for tender assessment as stipulated in Paragraph 11(a) of the Terms of Tender (Supplement). Equivalent products meeting the Specifications will also be considered.
- (ix)* Please delete as appropriate.

Name of Tenderer: _____
