Reply:

The Correctional Services Department (CSD) provides formal education for persons in custody under 21 and encourages adult persons in custody to pursue further studies on a voluntary basis and take public examinations or enroll in university distance learning courses under the users-pay principle. The Department has set up a number of education funds for them to apply for financial assistance to assist those persons in custody who want to pursue further studies but have difficulties in paying for public examination fees, the examination and tuition fees for university distance learning courses or purchasing reference books. These funds are contributed by donations from charitable organisations and members of the public.

The numbers of enrolments for university courses taken by persons in custody in the past 3 years are set out below:

Year	Number of Enrolments for University Courses Taken by Persons in Custody
2015	213
2014	162
2013	184
