Asked by: Hon LEUNG Kwok-hung (Member Question No. 337)Reply:

The Correctional Services Department will arrange eligible persons in custody to receive statutory supervision after release under the relevant statutory supervision schemes to ensure that the supervisees will comply with the requirements of supervision and help them re-integrate into society through regular contacts, close supervision and timely intervention. Supervisees should generally have the permission to stay in Hong Kong after discharge. The numbers of recall orders issued due to the supervisees' failure to comply with the requirements of supervision, including "committing any offence against the laws of Hong Kong again with conviction" in the past 5 years, are as follows:

Year	Male	Female	Total
2015	806	213	1 019
2014	905	262	1 167
2013	901	275	1 176
2012	864	296	1 160
2011	976	290	1 266
